

Acute Care Pediatrics

Review and Update of the State of the Art

Monday – Friday, June 14-18, 2004

at the **Hilton Oceanfront Resort, Hilton Head Island, South Carolina**

Program Directors: M. Hossein Tchamntchi, MD
Fernando Stein, MD
Conference Coordinator: Tamara C. Greiner, MA

Needs

Advances and changes in clinical science and practices in acute care create a need for periodic updates for pediatricians, supported by previous participant evaluations.

Target Audience

Primary care physicians who care for children, to include pediatricians, family practice physicians, general practitioners, physician assistants, nurse practitioners, fellows, and residents.

Objectives

At the conclusion of the course, the participant should be better able to describe and discuss:

- Depression In the Pre-Adolescent
- Child with Headache
- Attention Deficit Hyperactivity Disorder
- Respiratory Distress in the Neonate
- Acute Life Threatening Events
- Lessons from SARS Epidemic
- Pediatric Immunodeficiencies
- Acute Pain Management
- Migraine Headaches
- Papillomavirus and Poxvirus Infection
- Brain Protection and Resuscitation
- Parapneumonic Effusions
- Staphylococcus Infection
- Anxiety Disorders in Children
- Pertussis

Educational Methods

Lectures ■ Audiovisual Aids ■ Question and Answer Sessions ■ Syllabus ■ Panel Discussions

Evaluation

Evaluation by questionnaire will address program content, presentation, and possible bias.

Accreditation/Credit Designation

Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this educational activity for a maximum of 22 category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

Application for CME Credit has been filed with the American Academy of Family Physicians.

Determination of credit hours is pending.

Additional tickets may be purchased using the attached registration form or at the conference registration desk - \$37.00 adults/\$22.00 children.

 **Fee, Registration & Confirmation Information**

Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least 5 business days before the activity start date, contact the Office of Continuing Medical Education (OCME) immediately.

If you plan to register on-site, contact OCME at least 24 hours in advance to confirm activity status and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

Continental breakfasts, breaks, cookout, and course syllabus are included in the registration fee.

 **Cancellation/Refund Policy**

Requests for registration refunds must be in writing and received by the Office of Continuing Medical Education (OCME) at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a \$50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the OCME or faxed to 7137987955.

The OCME reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, OCME's liability is limited to the registration fee paid.
